### **YEAR 6 SEX EDUCATION**

Dear Parents,

As part of our Personal Development curriculum, Year 6 will be receiving some lessons on sex education. These will take place during the second half of this term.

We will be using a BBC Active Whiteboard Resource and covering the topics “Growing Up” and “Cycle of Life”. The programme will enable the children to discuss the physical and emotional changes that boys and girls experience during puberty. It also covers human sexual reproduction. Boys and girls will be separated for these sessions.

If you would like to look at any of these resources, please email us as soon as possible so that we may organise a viewing. If you **do not** wish your child to be part of these lessons please let us know by e-mail.

We have watched the clips, pictures and text activities and are happy with the content. We will deal with the topics in a very sensitive and sympathetic manner.

We feel this is a vital stepping stone for the children as they are about to leave the protected primary school environment and move on to senior school. The sessions have always proved to be very worthwhile.

Yours sincerely,

Mr Isherwood & Ms Bromley
