September 2019

Dear Parents,

We have organised two trips for the Autumn Term. Details are shown below:

Trip to Museum of Bath at Work on Tuesday 17 September

The children will be attending a workshop to learn more about 'Industry in Bath'. 5G and 5S will be going in the morning and 5M will go in the afternoon.

Trip to We The Curious on Monday 4 November

The children will be attending an 'Earth, Moon and Sun' workshop, and will be watching a new 3D 'Exploring the Solar System' show in the planetarium. We will also spend time exploring the centre and participating in many 'hands-on' activities. The trip directly links with the work that we will be doing in Science and provides a fantastic opportunity to enhance and extend learning.

For the trip to We The Curious:

Each child will require a snack and drink. A packed lunch will be provided by the school for the trip. Please ensure that any snacks do not contain nuts and that there are no fizzy drinks.

The total cost for the trips will be £26 and will be added to your extras bill. Please complete the tear-away permission slip (below). Please return to your child's class teacher by Monday 16th September.

Best wishes,

Miss Scott, Mr Millar & Mr Guest

Child's Name:.....

Class:

I hereby give permission for my child to participate in the Year 5 educational visits to Museum of Bath at Work and We The Curious and agree to the cost of £26 being added to the extras bill. Please provide us with any medical details that we need to be aware of for these trips.
